## Time Travelers

### Two Days/One Night Trip

Time Travelers is a unique journey through the history of our area centered on the Cambridge Glass Factory. In May of 1902 when the factory opened, it was dubbed "One of the Most Complete Plants in the World!"

Experience what life was like for a Cambridge Glass House family in the early 1900s! Meet the mother, Mrs. Yonek in her babushka, who "held down the fort" at home making ends meet. How did she keep their clothes clean? Where did she cook and how? What was the neighborhood like? Who worked at the newly opened mammoth Cambridge Glass Company? What happened at the glass house during World War I? Experience this and more! Your group will discover more of the Cambridge/Guernsey County story as your coach travels back through time! Each guest receives a map of "old Cambridge" as a keepsake from this tour.
